Now you need to submit your prepared documents and very soon your balance will show on the Dashboard in your PAYEER wallet.

7

PREPARE YOUR ETHEREUM WALLET

» XETH

To create a wallet, search online 'How to set up a ERC20 wallet' ensuring the tutorial is from a reputable source.

Fill out the form providing your email and your Ethereum ERC20 Wallet Address to receive your tokens.

Choose PAYEER as your preferred payment method. You will need your PAYEER login details that you've just set up for this! The system will then walk you through the payment process.

9

CHECK YOUR TOKEN ALLOCATION
You will not receive an order confirmation via email. You can always view your token balance HERE.
